Join the Coalition

We support the Wisconsin Coalition for Safe Roads in urging Governor Evers and the Wisconsin State Legislature to enact a law restoring access to legal driving regardless of immigration status.

This is not a partisan issue. It would make our communities safer by ensuring all drivers are tested, know the road rules, and can obtain auto insurance. Wisconsin immigrants are taxpayers, employers, consumers, and workers contributing significantly to the state's economy.

The Wisconsin Coalition for Safe Roads includes business leaders, farmers, law enforcement, faith communities, grassroots organizations, and local elected officials. The only requirement for joining is to agree that this legislation will benefit Wisconsin's economy, improve public safety, and strengthen families and communities.
